*Yellow label (required by U.S. law) with equipment showing energy use comparisons. The label should also display the Energy Star logo.

Terms and Conditions:

- Appliances must meet Energy Star Criteria and be listed as Energy Star qualified at the time of purchase.
- Appliances must be electric and installed in a building served by the cooperative.
- For washer or dishwasher rebate, the member must have an electric water heater installed in the home.

I verify that equipment was installed on the date and location specified and that all information provided is true. I also agree to the Terms and Conditions provided above and that my electric cooperative reserves the right to inspect all equipment and verify any information before issuing a rebate.

Terms and Conditions—Energy Star Appliance Program

Program Offer: The Program covers products purchased and/or services rendered **on or after January 1, 2003**.

Eligibility Requirements:

1. Appliances must meet Energy Star Criteria* and be listed as an Energy Star qualified product at the time of purchase. The Energy Star lists of qualified equipment are updated periodically.
2. Member must provide the cooperative with proof of purchase.
3. Appliances must be connected and served by the cooperative providing the incentive
4. To be eligible for washer or dishwasher rebates, the member must have an electric water heater installed in the home. Model and serial number of this equipment will be required on forms before reimbursement.

Energy Star Verification:

Energy Star qualification for Residential customers can be verified by one of the following:

1. Customer provides cutout of package showing ES logo, product type and model.
2. Customer provides cutout of UPC code and model number from product package.

*Energy Star listing for CFLs found at <http://www.energystar.gov/products/appliances.shtml>

Warranty Information:

Your cooperative makes no warranties, expressed or implied, with respect to equipment operation, material, workmanship or manufacturing. The Cooperative does not guarantee that a certain level of energy or cost savings will result from the use of products covered by this program.

Limitation of Liability:

Participating Customers agree that the Cooperative's liability, in connection with this Program, is limited to paying the Program Incentive specified (when all Terms and Conditions have been satisfied by the customer). Under no circumstances shall the Cooperative be liable for any consequential or incidental damages resulting from participation in this Program. The Cooperative will not be responsible for any tax liability that may be imposed on the Participating Customer as a result of the payment of Program Incentives.

Participating Customer's Certification:

Participating Customer certifies that he/she purchased and installed the equipment listed in their application at their defined location served by the Cooperative. Participating Customer agrees that all information is true and that he/she has conformed to all of the program and equipment requirements listed in the application.

Program Changes/Termination:

While this rebate program will be in effect for an indefinite period, the Cooperative reserve the right to extend, modify (this includes incentive levels) or terminate this Program without prior or further notice. Typically a 60 day will be made in the event that any program is terminated.

Other Program Rules

The cooperative reserves the right to inspect installations before issuing the rebate. If the application does not comply with the cooperative's rules and qualifications, the rebate amount may be adjusted.

Customers must apply for rebates within one year of the purchase date (as shown on the customer's invoice).
